

## Conferencing Facilities - Hire Rates and Capacities

Canterbury College offers affordable conferencing facilities which are unmatched in the City centre and is the ideal choice for professional seminars, private functions and team building activities.

Our modern well equipped campus is uniquely able to offer a main conference hall which can comfortably hold 300+ people and be sub-divided into three should you need breakout or workshop space. We also have several smaller dedicated meeting rooms which can accommodate 10 people for more focused workshop or team training exercises and larger lecture theatres which can accommodate larger numbers of people.
